

The banner features a central photograph of a river flowing through a lush green forest. To the left is a teal vertical bar, and to the right is a photograph of a snow-capped mountain range. The text 'Upper Lillooet' is in a large, white, sans-serif font, and 'HYDRO PROJECT' is in a smaller, white, sans-serif font below it, both set against a green background strip.

Upper Lillooet HYDRO PROJECT

Project Update

- Clearing along the Rutherford Creek FSR will start next Monday January 26, 2015 with a 2 person crew accessing the area by snowmobile. Flaggers will be present and signage will be posted. This work is anticipated to take 2 weeks.
- Bridge upgrades will occur on the Miller Bench FSR in early February. Access to the snowmobile staging area may be delayed by bridge works. Details will be posted prior to the start of work.
- Check on the MFLNRO website for current road conditions:
<http://www.for.gov.bc.ca/dsq/Engineering/RoadInformation.htm>
- For an update on Winter 2014/2015 Plans, please refer to our Project Update Notice from November 28, 2014
