

# Project Update

Friday February 27, 2015

## **Miller Bench FSR Closed March 2nd to March 3rd**

- Three temporary clear-span crossings will be installed along the lower section of the Miller Bench FSR.
- The road will be closed at KM 2.5 Monday and Tuesday next week.
- Road delays and further closures will occur near the end of next week and another notification will be issued once exact timing is confirmed.
- Signage will be posted along the road.
